- Payment Gateway Charges: ~2% per transaction

Terms & Conditions

1. The project will be completed within the agreed timeline, provided all required content and approvals are given on time by the client.
2. Any additional features or major changes not mentioned in this agreement will be charged separately.
3. Delay in payment may result in delay in project delivery.
4. Final app delivery and deployment will be done only after full payment clearance.
5. The developer will provide basic testing; however, long-term maintenance requires a separate maintenance plan.
6. Hosting, domain, and third-party services will be paid directly by the client.
7. The developer is not responsible for delays caused by third-party services (Play Store approval, payment gateway, etc.).
8. Source code ownership will be transferred after full payment is completed.
9. This agreement is non-refundable once development has started.
10. Client must review and approve each phase to proceed further.
